

2019 July Packing List

Parents, please read through the following parameters and packing guidelines with your student(s)! Advance supervision can prevent potentially awkward situations.

- Medical Form - filled out and signed by parents and camper
- Copy of Medical/Prescription Card
- If applicable - any prescription medication with usage/dosage information written and signed by parents.

Clothing:

Because the way we dress impacts others in our community, we aim for modesty during our week together. We understand modesty is understood differently by different people, so Masterpiece has outlined the following parameters to help assist with packing expectations for camp. Students wearing clothing that does not meet these guidelines will be required to change.

- Pack every-day type clothing for 7 days (shorts, jeans, t-shirts, skirts) ***Please note that ALL clothing must fully cover the 6 B's - belly, bottom, breasts/cleavage, bras, boxers, briefs**
 - Girls:
 - Wearing a bra is required and tops must have at least 1-inch straps (no spaghetti straps please).
 - Skirts & dresses are to be at least thumb-tip length when your arms hang loosely at your side.
 - Shorts should have a minimum 4-inch inseam.
 - Leggings may only be worn under a skirt, dress or shorts.
 - Yoga pants can only be worn for exercise, not in place of camp clothing.
 - T-shirts should not be graphic in nature or contain potentially inflammatory messages (political or other)

- There are some studios that may utilize the students' cell phones for their studio work during the week and their phone will be permitted during these times.
- Phones can also be used for alarm clock purposes and taking photos.
